VOLUNTEER BACKGROUND CLEARANCE & COVENANT
Information for Parents & Guardians

Mount Aviat Academy welcomes and appreciates the many families who support our students through volunteering. To ensure the safety and well-being of our students, a background clearance is required for any individual who will be working directly with students.

This includes, but is not limited to:

- Chaperoning a field trip
- Volunteering in a classroom
- Coaching a youth athletic team
- Participating in other activities that involve direct interaction with students

Background Clearance Application

Individuals who do not currently have a valid background clearance must complete the application process using the link below.

Apply for a Background Clearance here.

Once obtained, a background clearance is valid for five (5) years.

I***f you have previously completed a background clearance, please contact the school office to verify that your clearance is still valid before submitting a new application.*** This will help you avoid unnecessary expense and the need to repeat the application process.

Volunteer Covenant

Families are asked to ensure that a signed Mount Aviat Academy Volunteer Covenant is on file with the school. While this is typically completed during enrollment, any additional volunteers, such as grandparents or other family members, who have not previously signed a covenant must do so before volunteering.

Download the Volunteer Covenant here.

Please submit the completed and signed covenant to the school office for filing.

Thank you for your cooperation and for helping us maintain a safe and welcoming environment for all Mount Aviat Academy students.
