

Online Databases available through MAA

These databases are not only within the school building, but also for MAA families to use from home. Let the learning begin!

World Book Online: an encyclopedia, and much more.

- Recommended for: 1st gr. and up (for 1st-5th grades, enter through the “Kids” portal).
Website: <http://worldbookonline.com/?subacct=K3972>
Username: maaschool
Password: child

Grolier Online: an encyclopedia, and much more.

- Recommended for: 6th grade and up.
Website: <http://go.grolier.com>
Username: aviat
Password: academy

BrainPOP: animated educational videos and activities.

- Only available during school hours. Recommended for: 1st gr. and up.
Website: www.brainpop.com
Username: mountaviat
Password: school

EBSCO Host: a compilation of research services.

- Student Research Center recommended for: 3rd grade and up (use the filter on the main search page to filter for 1st-5th grade, 6th- 8th grade, or high school reading levels).
- History and Science Reference Centers, and MasterFILE Premier, recommended for: 7th and 8th grades.
Website: <http://search.ebscohost.com>
Username: aviat
Password: academy

SIRS Databases: a search portal.

- Recommended for: 8th grade and older, due to highlighting of current news topics on one main search page. With guidance, students in younger grades could also benefit from using site, particularly the “SIRS Discoverer portal.”
Website: <http://sks.sirs.com>
