September 11th, 2009

Dear Parents,

Our grandparents are very important to us. We know how important they are in your lives and those of your children. We want to include them in invitations to our shows, school activities, and most especially, our annual *Grandparents Day Celebration* in the spring. We invite them to participate in our annual drive and "Prayer Partner" group as well as other school functions. Their names will remain on our benefactor list to receive the Sisters' and the Mount Aviat Academy students' grateful prayers.

If you are new to Mount Aviat Academy, may we ask your help in providing us with the names, addresses and e-mail addresses of our grandparents? For our returning families, please review the information listed below and make the appropriate corrections. You are welcome to e-mail this information to us at development@mountaviat.org or fax it at 410.398.8063. We would appreciate receiving this information by **Monday, September 14th**.

God bless you,

Sr. Anne Elizabeth, OSFS
