Mount Aviat Academy

Walk of Friends
an opportunity for giving

Mount Aviat Academy

began the Walk of Friends Campaign in 1993 to raise funds for the expansion of the school building to meet the needs of an ever growing educational program. Although the campaign reached its goal in 2003, many families, businesses & friends continue to use the Walk of Friends as an opportunity to memorialize loved ones and commemorate special times. We continue to offer the Walk of Friends as a way to continue these everlasting gifts. Consider purchasing a brick for graduations, special birthdays & anniversaries or to honor a loved one.
