MISSION

The Mission of Mount Aviat Academy is threefold:

- to provide instruction in the message of Christ, according to the teachings of the Catholic Church, within the context of the gentle and caring spirit of St. Francis de Sales;
- to offer an educational environment that promotes high academic standards;
- to instill the principles of scholarship, citizenship and service in the minds and hearts of the students.

*Educating students to be
no more and no less
than their best.*

FROM THE PRINCIPAL'S DESK:

For many of you, it may seem like our Preschool has always been a part of MAA; however, in reality it only opened in 1979. Mount Aviat opened as a kindergarten in 1954. As interest in “early” enrollment grew, the Sisters answered the call with characteristic care and vision—launching a preschool program led by Sr. Mary Vincent. Affectionately known as the Oblate Sisters Nursery, it first took root in the lower level of the convent. When a modest home on the current site became

available, it opened the door—literally and figuratively—to a fresh chapter. The summer of 2023 became a whirlwind of activity, as the home was lovingly transformed into a vibrant early childhood learning space, made possible by the heartfelt generosity of benefactors. Throughout the years, this building has seen its share of first day tears, Mother’s Day celebrations, step up ceremonies, and so much more. It is in fact good news to say we’ve outgrown this space! Over the past few years, we have expanded our early learning program to 3-year-olds and then added a second class of 4-year-olds. Although we were happy to share our library and gathering room (fondly the original nursery) with our young learners, we are ready to welcome them back for the 2025–2026 school year in their newly renovated and expanded building! This is our biggest expansion since Holy Family Hall was built in 1993. We hope you are able to visit this school year and see the vibrant classrooms (see page 3 for more on this).

I am thrilled to share another highlight from this school year: MAA’s Future City Team took 1st place *for the second year in a row* in the Regional Mid-Atlantic competition and participated again in the Global Finals in Washington, DC. We are so proud of our students and their commitment to this program and our staff for their support of our students! As many of you know, Sr. Frances Carol will be moving to Towson, Maryland to teach at Immaculate Heart of Mary. We will miss her dearly at MAA but know she will bring her enthusiasm for STREAM to all those budding scientists and engineers!

Finally, all we do comes back to you, our supporters, our community because we could not do all we do without you. From supporting the Sisters by purchasing cream puffs during the annual Cream Puff sale to slipping on your running shoes and joining us on the MAA 5k and Sister Walk to bidding at the Evening at the Vineyard Dinner Auction, we are so grateful for all the many ways you show us your support. We look forward to welcoming you back to campus during the coming school year.

Yours in Christ,

Sr. John Elizabeth, OSFS

Sister John Elizabeth Callaghan, OSFS

A NEW BEGINNING STARTS HERE: WELCOMING THE MAA CLASS OF 2035

Our current PreK3 students—the future MAA Class of 2035—are about to become part of something special: they'll be the very first to learn, play, and grow in our brand-new preschool building, opening for the 2025-2026 school year!

This beautiful new space is designed just for them, with bright classrooms, engaging play areas, and learning spaces created to spark imagination and support their earliest school experiences. Every detail was thoughtfully planned to make their introduction to school joyful and meaningful.

We are excited to share a photo of some of these future pioneers—students who will be among the first to call this new space their own. Also pictured is a glimpse of the completed exterior, showcasing the transformation made possible by the support of our incredible school community.

Want to be a part of this milestone? Consider donating an item from our Preschool Amazon Wishlist, which will be posted to the school's social media accounts as soon as it is finalized. Every gift, no matter the size, will help us create a welcoming and well-equipped space for our youngest learners.

The countdown to Fall 2025 is on, and we can't wait to share this special beginning with you!

CONGRATULATIONS TO MAA'S CLASS OF 2025 SCHOLARSHIP RECIPIENTS!

READY... SET... MAA 5K!

Rain loomed on the overcast day, casting uncertainty over the 12th Annual MAA 5K & Sister Walk on Sunday, April 6. But the skies held, and the event went off without a hitch! We had 139 male and female runners ranging from age 4 to 76 years old. This year we had new overall winners in both the male and female categories. First place Overall Male was John Ford, from Phoenix, MD, with a time of 18:38. First place Overall Female was Lisa Dang, from Alexandria, VA, with a time of 20:38.

We had a record number of participants, sponsorships and donations this year. The money raised through this event will be used to replace the pads in the gym to ensure the safety of all students during sporting events.

We would like to thank our race sponsors whose support makes this fun community event possible. **Platinum Sponsor:** Remline **Gold Sponsors:** Oblate Sisters of Frances de Sales and Nowland Associates, Inc. **Silver Sponsors:** Dever Law Group, Haverford Trust Company, Kristin Lewis Follow My Heels at Integrity RE, Formal Affairs, Domain Spa & Salon, McCool Insurance, and Moon Air Inc.

We are grateful for all the race day volunteers who helped the event run smoothly and safely from the start to the finish line. Having the support of school families, alumni, and community members makes this event a success. A special note of thanks to the 5K race committee, Jessica Carlaw and Janie Trumbull for organizing the event.

BUY A DONKEY!

No, the Oblate Sisters are not setting up a farm in Childs. *Buy a donkey* is the phonetic pronunciation of *Baie Dankie*, an often repeated phrase during a recent trip to Africa to visit our Oblate Sisters' communities and their missions. It means *thank you very much*. Thanks to the generosity of many of you, we saw firsthand so many changes:

- our 150+ children who stay with our Sisters for months at a time to receive an education enjoy more fresh fruits and vegetables and sleep on beds with new pillows and blankets
- two classrooms have been built to welcome more 4 and 5-year-olds into our schools
- protection against the intense sun has been extended over playgrounds offering open play
- a playground has been built by and with teens to keep our youth busy and active at the end of the school day into early evening. Swings built from old tires, ramps for skating just to name a few
- and the list goes on...

As we move into summer, several changes will be seen with our Oblate Sisters locally. After devoting five years here at MAA, Sr. Frances Carol is joining the community in Towson, Maryland to spread Salesian spirituality at Immaculate Heart of Mary and work with young people in vocation ministry. Sister's absence will be quite a loss at

MAA but, hopefully, a blessing in the Archdiocese of Baltimore. The staff at MAA recently

wished a tearful farewell to Sister and reminded her of all her beautiful gifts she shared with our community such as her gift of music, science, adventure, spirit and so much more. Surely she will share these gifts at IHM now. Sr. Miriam Elizabeth, on the other hand, is now a familiar and permanent presence in Childs and brings her positive spirit and good nature with her.

AN EVENING IN THE VINEYARD: A MEMORABLE 30TH ANNUAL DINNER AUCTION

On Saturday, March 1, MAA celebrated the 30th Annual Dinner Auction with an unforgettable evening! The “An Evening in the Vineyard” themed auction took place in St. Joseph Hall, where it was filled with laughter, lively conversations, and the warmth of cherished friends and family. A heartfelt thank you to the 150+ guests—school parents, grandparents, alumni, alumni parents, and new faces—who came together to make the night truly special.

The space was transformed into a stunning vineyard, complete with rustic wine barrels, the calming scents of eucalyptus and lavender, and an abundance of florals and greenery that brought the theme to life. The Alicia Maxwell Project set the perfect atmosphere with smooth, easy-listening tunes, effortlessly transitioning from cocktails to dinner and keeping the energy flowing throughout the night. The Chesapeake Inn delighted us with delectable Italian specialties, adding an extra layer of flavor to our vineyard experience.

We were thrilled to welcome back Mr. Chris Locke as our auctioneer this year. Once again, he did an outstanding job of keeping the energy high and the excitement flowing as he auctioned off an incredible array of items. The live auction kicked off in signature style with the highly-sought-after Oblate Sisters’ apple pie, and from there, the bidding soared on unique and exclusive items. Highlights included beach rentals, a premium Traeger pellet grill set, the rare Van Winkle Special Reserve and Panamonte XXV Rum, and coveted 76ers tickets. Of course, also included were beloved classics, such as Principal for a Day and the VIP Parking Spot, which never fail to draw enthusiastic bids.

At this year’s Paddle Raise, our community came together to champion the arts at Mount Aviat. Through their generosity, we secured funding for materials, instruments, and training—fueling creativity, inspiring young artists, and ensuring the MAA Arts Program continues to flourish with color, music, and imagination.

A heartfelt thank you to the Auction Committee, led by Patty Cook, for their hard work and dedication in planning this event. Committee Members included the following: Sr. John Elizabeth, Sr. Anne Elizabeth, Sr. Joseph Margaret, Sr. Joseph Anne, Sr. Frances Carol, Phuong Besancon, Tracy Harreld, Stephanie Hendron, Cherri Moran, and Jenny Tyler. We are also deeply grateful to our incredible volunteers—your time, talents, and enthusiasm were essential in making the evening a resounding success. Your efforts truly made all the difference!

MAA is thankful to our community partners and dear friends for helping bring our theme to life and for creating memorable experiences for our guests: Chesapeake Inn (catering and beverages), Elk Creek Home Improvements (favors), Pat D’Annunzio (staging), Brian and Janie Trumbull (staging), The Alicia Maxwell Project (entertainment), Mike McKenzie (sound and lighting), Joan Copeland (photography), Rusty Eder (emcee), Chris Locke (auctioneer).

The Aviat Foundation Endowment Trust

was created in 2006 to support the long-term educational mission of the Oblate Sisters of St. Francis de Sales at Mount Aviat Academy. The Aviat Foundation is a financial asset that provides reliable income and supports the long-term financial security of MAA. Donations to the Aviat Foundation (the "principal") are not spent; these funds are invested and professionally managed. Only a portion of the earnings of the Aviat Foundation are used to support the operating needs of MAA each year—allowing us to sustainably grow the Aviat Foundation while supporting the needs of MAA. Original donations (the principal)

stay intact—gifts to the Aviat Foundation will generate income in perpetuity. A gift to the Aviat Foundation is truly a gift that keeps on giving! The Endowment helps support the Oblate Sisters in fulfilling their educational mission and ensures that future generations have access to a strong, faith-based Catholic education at MAA.

The income earned by the Aviat Foundation directly supports all of our students and families! For the 2024–2025 school year, the Aviat Foundation contributed **over \$160,000** to MAA—the 19th year of continuous support. Income generated by the Aviat Foundation and provided to Mount Aviat Academy provides critical funding to

- retain dedicated teachers and staff,
- expand learning resources for students,
- and maintain affordable tuition, to support making Catholic educating accessible to more families.

Due to the generosity of our donors and supporters, since its founding, the Endowment has contributed over **one million dollars** that has directly benefited all Mount Aviat Academy students and families.

Ways You Can Support the Aviat Foundation

- Make a multi-year pledge and/or monetary donation;
- Initiate a Qualified Charitable Distribution from a retirement account (a tax-smart option for some donors);
- Volunteer to serve on an Aviat Foundation sub-committee;
- Establish a named fund (can be restricted to support a specific need of the Oblate Sisters or MAA); and/or
- Include a legacy gift to the Aviat Foundation in your will or estate plans.

If you have questions about the Aviat Foundation or would like to meet with us to discuss how you may become more involved in supporting the needs of the Oblate Sisters and Mount Aviat Academy, please contact Brenda Hendron, Aviat Foundation Chair, at 410.920.6399, hendronb@comcast.net or Sr. John Elizabeth, Principal, at 410.398.2206, principal@mountaviat.org.

CELEBRATING THE GOOD NEWS OF THE AVIAT FOUNDATION

We were blessed with a beautiful evening and much to celebrate as we gathered on June 6 for our annual endowment reception. This year's event was graciously hosted by Mrs. Mary Benvegno at her beautiful riverside home, where her warm hospitality, love for Disney, and cherished items from the Oblate Sisters' missions were reflected throughout her home. Our guests and generous donors enjoyed not only the beautiful setting and good food, but a wonderful opportunity to visit with the Oblate Sisters and other long-time MAA friends. The evening provided a wonderful opportunity to share the impact that the Aviat Foundation has had, as the Aviat Foundation Chair, Brenda Hendron, shared highlights of the Foundation's continued success and the remarkable support it has provided to the Oblate Sisters and Mount Aviat Academy over the past 20 years.

The St. Leonie Aviat Commitment to Catholic Education Award

At this year's Endowment Reception, the Oblate Sisters were proud to honor Mark and Karen Manniso as the 2025 recipients of the *St. Leonie Aviat Commitment to Catholic Education Award*. Long-time champions of Mount Aviat Academy and steadfast witnesses to their Catholic faith, the Mannisos exemplify what it means to

live out a mission of service. All three of their daughters—Julianna '02, Teresa '04, and Emma '04—attended MAA, but the Mannisos' dedication extended far beyond the role of parent. From supporting athletics to volunteering at countless events and more, they became woven into the fabric of the school community.

Mark has served on the Board of Trustees, contributing significantly to the school's reaccreditation efforts and providing invaluable guidance on school initiatives. Behind the scenes, the Mannisos have been tireless advocates for Mount Aviat's mission. Their warm, familiar presence at school events has become a symbol of unwavering support, and over the last 30 years, many have witnessed firsthand how their efforts nurtured not only the success of their daughters but also the school's growth.

In honoring them, Mount Aviat celebrates a legacy of faith, family, and service that continues to inspire.

Please remember in prayer our family members, friends, and donors who have passed away this year:
