

# *Service Club Giving Tree*

## *Supporting Immaculate Conception's Outreach*

Immaculate Conception's Outreach program feeds and assists many families in need for Christmas. The Service Club is requesting the following donations in their name:

Preschool: soap or baby wipes

Kindergarten: toothpaste or baby wipes

1st grade: soup

2nd grade: canned sweet potatoes

3rd grade: jelly or detergent

4th grade: gravy or stuffing

5th grade: tuna fish

6th grade: hot chocolate packets or marshmallows

7th grade: canned meat

8th grade: jelly or detergent

Cash donations are very welcome in place of any of these items. Food items may be placed under the "Giving Tree" in the breezeway. If a child brings in a monetary donation (marked "Giving Tree") or an item, please let them know they can represent their gift by hanging an ornament on the Giving Tree. We hope to collect most items by Tuesday, December 18, but will still accept and bring in donations past that date.

***Thank you for your help!***
